* SPI BikeFest utilized the services of a professional photographer to capture the racers as they crossed the finish line. Photographer was able to capture 6 shots per second and the finish time was noted in the picture. Cyclists whose numbers were not visible in the photographs are described to the best of our ability however, we assume no responsibility for rider numbers placed where they could not be clearly seen. Additionally, automobiles and other moving vehicles occasionally crossed in front of the race clock as racers crossed the finish line. Times were ascertained from preceding and subsequent frames. **OVERALL WINNERS DETERMINED BY POINT SYSTEM OF COMBINED RACES, NOT INDIVIDUAL TIMES.**
